

Before you set up your product, you will need to gather the following files and information for your product landing page:

- 1 Your product's name
- 2 Your product's description (400 words or less)
- 3 Your product's retail price
- 4 A 770x90 company logo image
- 5 A 125x125 product image
- 6 A 160x120 product image

You will also need:

- ✓ The minimum price you are willing to accept for your product
- ✓ Text explaining to your customers how they will receive your product
- ✓ An e-mail address where we can send transaction notifications

There are five ways that TrialPay can deliver your product. If you want us to deliver activation keys or unlocked files, you will also need:

- ✓ A list of pre-generated keys in a single text file
- OR
- ✓ An executable file ready for upload
